

A growing global community of TMMi Local Chapters

The TMMi Foundation organized a very productive TMMi Local Chapter meeting in Yerevan, Armenia this Spring with representatives from the local chapters for China, India, Finland, Malaysia, Korea, France, Hungary, Italy, Poland, the UK and Armenia. Eric Riou du Cosquer, of the French Local chapter, held a presentation about the developments of TMMi throughout France.

New TMMi Local Chapter for Mexico!

A huge welcome to our friends in Mexico of the Asociación Mexicana de Pruebas de Software (Mexican Association for Software Testing). The TMMi Foundation looks forward to a growing market in Mexico.

From right to left: Héctor Santa María of Testing IT, Juan Carlos López of DK del KARIBE, Adriana Hernández Florentino Secretary of AMPS, Humberto García Lizarraga of Testing IT, Jorge Mera of Praxis & Armando Silva of Technis.

TMMi Professional sample paper is available!

Recently a workgroup lead by Matthias Rasking developed a [sample paper](#) for TMMi professional. Contributions for this paper were also provided by Adrian Howes, Jan Jaap Cannegieter and Karolina Zmitrowicz
